

Will the buggyboot[®] plus fit my make of buggy?

See **Notes on fitting** to see if there is anything that may make fitting easier to your make of pushchair.

The guide below will help you to determine compatibility of the buggyboot[®] plus and your pushchair. If your pushchair is not listed below and you would like information on whether the buggyboot[®] plus will fit your buggy please seek help from your stockist or e-mail us on info@buggyboot.com. Buggyboot Ltd cannot guarantee that buggyboot products will fit every make and model of pushchair*. Customers should always follow our guidelines.

buggyboot[®] plus models are not designed for side by side twin buggies, but will fit a number of tandem twin buggies.

buggyboot[®] plus models will fit some three-wheeler pushchairs.
